

## HANDOUT 4.2 C - HERR KORBES INTERMEDIATE ACTIVITY

- Directions: Through the literature that is written, read, told, and enjoyed from a particular area or region, we can discover what the people are like, how they feel, and what they value as important during that time period of history.

First, read the tale of *Herr Korbes*, which was written by the Grimm Brothers and published in 1884 in Germany, then complete the tasks below.

1. Give a brief summary of the tale.

2. Discuss the values that are being taught, stressed, or thought to be important by this culture.

3. It's been said that it's the last line that makes this tale a "masterpiece." Agree or disagree with this commentary.

4. Choose a scene from the tale that depicts or shows one of the important values being taught or learned. Illustrate it in color and write a caption beneath:
