

## 7.4.4 BUILDING A CARBON-NEUTRAL PARADISE: READING AND REFLECTION

Name: \_\_\_\_\_

**Directions:** As you read through the online article, "Building a Carbon-Neutral Paradise", record specific notes related to the focus question under the "notes" heading below. Your other ideas (reactions, connections, questions, etc.) should be recorded under the "thinking" heading below. Answer reflection questions once you finished the article.

**Focus Question:**  
**What does being "Carbon-Neutral" look like?**

**Notes**

**Thinking**

### Reflection Questions:

In your opinion, which community is doing the best job? Explain.

From the different communities, create a list of five or more ideas that could be incorporated in your own city.
