

## Topic 1

## Germany's Changing Position in Europe and the World

### Lesson 3

### Focus Question Three

### Step #4: Application

#### Strategy: Integrating Knowledge

##### Activities

*Review materials from Step #1 and Step #2. Think about these questions:*

- ▶ **What are the challenges/issues that these changes create for Germany?**
- ▶ **What are the opportunities that these changes create for Germany?**

*Students should be formed into 4 groups to examine the challenges and opportunities for Germany of these changes under one topic. Each group will be given one of the topics: Economic, Social, Cultural, or Political.*

*Each group will use two graphic organizers to examine both the challenges and the opportunities for their topic.*

##### ✓ Check for Understanding

Select one of the opportunities and one of the challenges/issues and explain why this change is an opportunity/challenge for Germany.
